### **About LDC Gas Forums**

Produced by TradeFair Group, the LDC Gas Forums are a series of five annual “super-regional” conferences in Atlanta, Boston, Chicago, Los Angeles and Canada, which are each the largest gas industry event in each of the five regions. The Forums highlight current regional topics that are relevant to buyers and sellers of natural gas, and are designed to maximize industry networking and deal-making among utilities, power plants, industrial end users, gas producers, pipelines, marketers and storage operators.

### **About TradeFair Group**
