*The Premier Event Where the Natural Gas Industry Meets!*

## KIOSK SPONSOR BENEFITS

The LDC Gas Forums have become an outstanding success, highlighted by impressive sponsors, fabulous hospitality, informative meetings, tons of gas buyers, and more attendees than in previous years. This year, there will be a limited number of Kiosk sponsorships available to companies that wish to leverage off last year's success. The benefits for each of the Forums are as follows:

1. As part of the conference, each kiosk sponsor will be given a table in the conference foyer to promote its particular technology or service. The sponsor may contract with the hotel for electrical or internet service if required. Literature may also be distributed from this high profile location.
2. As a sponsor, you will receive 6 free passes to the conference to be utilized by employees, current or potential customers and clients, suppliers or financial backers. This benefit is valued at over \$8,000.
3. A special personalized mailing will be sent to over 700 gas buyers from industrial end users, utilities, power plants and municipalities. As a sponsor, your name will be prominently displayed on these gas buyer invitations, making it clear to gas buyers that your sponsorship of this event has made it possible for gas buyers to attend the conference for free. All credit will be given to the sponsors.
4. Your sponsorship will be listed on our conference web site ([www.ldcforum.com](http://www.ldcforum.com)). At no additional charge, we will hyperlink your home page to our site and visa versa.
5. Each Kiosk Sponsor will receive a Table Top Display in the Foyer of the meeting area.
6. Each sponsor will be listed on all brochures and promotional materials for the conference. We anticipate that there will be more than 50,000 pieces of material ultimately distributed.
7. A Conference Proceedings Book will be handed out to every attendee at the Forum. We will include a copy of your company's information and a complete sponsor listing for the conference.
8. Before, during and after the conference, we make a concentrated effort to let the attendees know about the sponsor's generosity. This will be indicated on pre-conference publicity, signage at the conference and post-conference correspondence.
9. We will do customized mailings to lists that are provided to us by sponsors. This is a very effective way to gain increased visibility with your customers.
10. Each sponsor will be given the opportunity to include a trinket (with their corporate logo) in the Activities package that will be given to all attendees participating in the Golf Tournament, Tour, or Spa. In prior years, participants have really appreciated these tokens.
