

## OUR COMMITMENT TO SAFETY

The Natural Gas Forum is committed to creating exceptional experiences that ignite connection and commerce, especially through our in-person events. The health and safety for our event attendees, exhibitors and sponsors is of the utmost concern and priority for the Natural Gas Forum. In an effort to maintain the health and well-being of all participants at our events, the Natural Gas Forum has implemented new event standard operating practices and procedures.

**High traffic areas** (such as handrails, escalators, door knobs, elevator buttons, etc.) will be disinfected by the venue staff every two hours.

**Hand sanitizer** stations will be available throughout the event.

**Masks** will be provided for any attendee who wants one.

**Physical distancing** stickers and signage available for attendees and exhibitors.

**Conference sessions** will be set to allow for proper physical distancing.

**Food and beverage** services will be provided in a minimal contact way (i.e. no buffets, pre-packaged food is preferred and catering staff will be masked and gloved).
