

GULF COAST ENERGY FORUM

all LNG...all ASPECTS

The Gulf Coast Energy Forum is an event brought to you by the producers of the very successful LDC Gas Forum and US-Mexico Natural Gas Forum series. The U.S. Gulf Coast has emerged as the crossroads for global LNG activity. The U.S. Gulf Coast and the Henry Hub benchmark is no longer simply a supply source – it is now the premium demand pricing point for the continent. As a result, there is worldwide interest in the dynamics of this particular region, across the entire natural gas value chain, supporting LNG. This event responds to the industry's demand for a purpose-built venue for industry players to learn, obtain insight, network and conduct business across the entire natural gas value chain supporting global LNG activity.

SPONSOR BENEFITS

- » **Visibility via Speaking Opportunity / Kiosk** – Each sponsor will be provided with a speaking slot to discuss a key industry issue or promote a particular project. Or, rather than speaking, sponsors may instead set up a promotional kiosk at the Forum.

- » **Logo Item** – To give sponsors the exposure and opportunity to get their logo out to our attendees, we will have a table placed in the conference area where we will display any logo give-away items that you wish to send us. These items will be available to all attendees throughout the conference.
- » **Web Presence** – Your company will be listed as a sponsor on our conference web site (www.ldcgasforums.com/gc), your logo/link will be included in emails sent out about the conference, you'll be promoted on the Forums social media platforms, etc.

"Great conference for me! You brought a lot of people together for me to meet with and get contracts going! I have been away from the gas supply business for almost 4 years. Coming to the Forum plugged me right back in and has boosted my business! Thank you so much for being a great host and friend. More great Forums and connecting with clients to come! Looking forward to them all!"

"I wanted to reach out to say thank you for the effort and energy that went into hosting the LDC Gulf South LNG Forum. This was my first time attending an LDC Forum, as I have been with Atmos less than a year and am only a few years removed from school, and I had a wonderful experience. The networking was seamless and felt natural. The staff throughout the forum always had a smile on their faces. I appreciate the work you put in!"
