- » **Logo Item** – To give sponsors the exposure and opportunity to get their logo out to our attendees, we will have a table placed in the conference area where we will display any logo give-away items that you wish to send us. These items will be available to all attendees throughout the conference.
- » **Web Presence** – Your company will be listed as a sponsor on our conference web site (www.ldcgasforums.com), your logo/link will be included in emails sent out about the conference, you'll be promoted on the LDC Forums social media platforms, etc.

"We had a very productive, successful experience sponsoring the Welcome Reception for the Northeast LDC Gas Forum. It was great to see clients, partners, and friends and be part of such an amazing industry. Christy and her team did an outstanding job of answering all our questions about the sponsorship quickly. The responsiveness and enthusiasm of the LDC Gas Forum team is unparalleled and very rare. They went out of their way to make sure we got the most value out of the sponsorship, coaching us on marketing and checking on us throughout the conference to make sure we were happy, not to mention all the little details that Christy put into welcoming us and showing their appreciation for our sponsorship. I highly recommend this sponsorship to anyone serving the natural gas community."

Tania Demeris, President & CEO, ENSYTE Energy Software Int'l, Inc.
