

LDC GAS FORUMS

SOUTHEAST • NORTHEAST MID-CONTINENT

The LDC Gas Forums are the premier events where the Natural Gas Industry meets. This is where buyers and sellers meet and do business. Each Forum is highlighted by impressive speakers, elite hospitality, informative meetings, and unparalleled networking opportunities.

SPONSOR BENEFITS

- » **Free Passes** – As a sponsor, you will receive free passes to the conference to be utilized by employees, current or potential clients, customers, suppliers, financial backers, etc.
- » **Visibility via Speaking Opportunity / Kiosk** – Each sponsor will be provided with a speaking slot to discuss a key industry issue or promote a particular project. Or, rather than speaking, sponsors may instead set up a promotional kiosk at the Forum.
- » **Inclusion in Conference Guide** – A Conference Proceedings Program will be handed out to every attendee at the Forum. Your company's logo, speaker's bio, etc. will be included.
- » **Conference Promotion** – Before, during, and after the conference, sponsor generosity will be promoted in all pre-conference publicity, signage at the conference, post-conference correspondence, etc. We anticipate more than 30,000 pieces of promotional materials to ultimately be distributed.
- » **Logo Item** – To give sponsors the exposure and opportunity to get their logo out to our attendees, we will have a table placed in the conference area where we will display any logo give-away items that you wish to send us. These items will be available to all attendees throughout the conference.
- » **Web Presence** – Your company will be listed as a sponsor on our conference web site (www.ldcgasforums.com), your logo/link will be included in emails sent out about the conference, you'll be promoted on the LDC Forums social media platforms, etc.

"The forum provided valuable information on the natural gas industry and I cannot give enough kudos to Christy and her team. To pull off a combination virtual and on-site conference without any material hiccups (that I know of), is amazing!"

Eric Schiffer,
Senior Gas Supply & Planning Analyst, DTE Gas
