SOUTHEAST • NORTHEAST  
MID-CONTINENT • ROCKIES & WEST

The LDC Gas Forums are the premier events where the Natural Gas Industry meets. This is where buyers and sellers meet and do business. Each Forum is highlighted by impressive speakers, elite hospitality, informative meetings, and unparalleled networking opportunities.

## SPONSOR BENEFITS

- » **Visibility via Speaking Opportunity / Kiosk** – Each sponsor will be provided with a speaking slot to discuss a key industry issue or promote a particular project. Or, rather than speaking, sponsors may instead set up a promotional kiosk at the Forum.
- » **Inclusion in Conference Guide** – A Conference Proceedings Program will be handed out to every attendee at the Forum. Your company's logo, speaker's bio, etc. will be included.
- » **Conference Promotion** – Before, during, and after the conference, sponsor generosity will be promoted in all pre-conference publicity, signage at the conference, post-conference correspondence, etc. We anticipate more than 30,000 pieces of promotional materials to ultimately be distributed.
- » **Logo Item** – To give sponsors the exposure and opportunity to get their logo out to our attendees, we will have a table placed in the conference area where we will display any logo give-away items that you wish to send us. These items will be available to all attendees throughout the conference.
- » **Web Presence** – Your company will be listed as a sponsor on our conference web site ([www.ldcgasforums.com](http://www.ldcgasforums.com)), your logo/link will be included in emails sent out about the conference, you'll be promoted on the LDC Forums social media platforms, etc.

"Traffic for some reason was crazy returning from Chicago to Boston. Uber dropped my ride 5 times before picking me up. Home after midnight but on the trading desk bright and early. I am willing to go through that or worse to get to the Forums, a small price to pay to meet with all the wonderful and knowledgeable folks gathered! You just need to carve out the time for these important industry events."

Jay Baronowski, Vice President/Commercial Lead,  
Maple Creek Energy

"The LDC Gas Forum has been a game changer for our company. I first attended the Southeast forum in Savannah this year. The conference was informative and well attended by all the players. I met up with current business partners and made new connections. After attending, I knew I had to make it up to the Chicago conference. I look forward to all the networking events, especially the boat tour."
